

Fall Newsletter September & October 2025

Opening Blessing

"Peace be to you, and peace be to your house, and peace be to all that you have." — 1 Samuel 25:6

A Season of Change and Growth

Fall greetings from House of Hope Piedmont! We pray that you are experiencing the peace of God that surpasses all understanding. September brought both **challenges and blessings**. We welcomed three new residents at the beginning of the month. Since then, one resident has **returned home**, and another will turn 18 on October 1st and has also chosen to return home. We are thrilled to celebrate NJ, who worked diligently over the past month and **earned her GED**. This was one of her key goals upon entering our program four months ago—and she did it! Praise the Lord! Our youngest resident, KS, will turn 14 in October and is on track to become our **first HOHP graduate**. Please keep KS in your prayers as she continues to grow in faith and wisdom. *"When the Spirit of Truth comes, he will guide you into all truth."* — John 16:13

New Doors Opening

As some doors close, others open. A family from Davie County has completed the application process for their 14-year-old daughter, who joined us on October 11th. Please **pray for this family** and for God's will to be done in their lives. We've also been contacted twice in the past two weeks by a family from Atlanta seeking help for their 13-year-old daughter. We ask for your prayers for this family as well.

Get Ready for Pickleball Tournament!

Join us on **November 22** at **Davie High School** for the **Heroes of Hope Club's very first fundraiser event!** This exciting tournament is your chance to support these amazing students and the inspiring mission of HOHP while enjoying a day of fun, friendly competition, and community spirit. Bring your friends, family, and your A-game—let's rally together for a great cause! **Sign up today and make a difference! Flyer attached!**

Support Our Mission: 100-4-HOPE Campaign

The Heroes of Hope Club is relaunching their **100-4-HOPE campaign** with a new series of vodcasts! The goal: **find 100 individuals or businesses to donate \$100 four times a year**. Your support helps families in crisis who cannot afford tuition—like the grandparents who shared: *"She is 14 years old. We are having trouble keeping her in her classrooms and on school campus. We have tried everything we could. Grounding and taking away her allowance plus I had her phone turned off. Please help—we are on disability."* Watch the vodcasts on Facebook! **Become one of the 100** by donating at houseofhopepiedmont.org or scanning the QR code.
